Randy... suspect that you can include all of us here... Clint, Roger, Chris, James, and I. At least 2 of us will join... maybe all.

Subject: USG CTDMPPlus Call

Hi George,

FYI, I'm going to be scheduling a call with Jeff Bennett (Barr Engineering) sometime next week to discuss use of CTDMPPlus with USG-Redwing. Steve Perry will be participating along with Dan Schaufelberger from our enforcement section. Someone from AQMG is certainly welcome to join if interested/available. I have some comments on their protocol that I will be sharing with Jeff.
